MY BEST!

MENTORING YOUTH BY ENHANCING SUCCESSFUL TRANSITION

Heads up to youth with learning, physical or other types of disabilities!

Would you like to know more about how to live independently?

Would you like to hang out with other people your age like you?

Would you like to play games, make crafts, and even learn to cook a little?

If you answered "yes"

to any of these questions, live in Orange County, and are 14 to 22 years old, then MY BEST is for you!

If you want to be a part of MY BEST please contact:
