

2027 DMC Housing Resource List

For unhoused individuals, please connect with the following organizations based on the city you are located in and request to be entered into the **Coordinated Entry System (CES)** to be matched to a housing program. CES housing options include: shelters, domestic violence shelters, transitional housing, Rapid ReHousing support (RRH), and permanent housing programs.

CES has implemented a Shelter Bed Reservation System for individuals (adult-only households) and families (households with minor children) as a centralized system where available shelter beds can be accessed by individuals and families experiencing homelessness.

For families with minor children in the household, Family Solutions Collaborative connects families with their nearest Access Point. To submit a referral online: <https://www.familysolutionscollaborative.org/help/>
